

® U.S. ARMY CORPS OF ENGINEERS

**William M. (Mike) Weaver
Deputy for Small Business Programs
Middle East District**

William M. (Mike) Weaver serves as the Deputy for Small Business Programs for the U.S. Army Corps of Engineers Middle East District, located in Winchester, Virginia.

The Middle East District is responsible for providing engineering, construction, and related services in the Middle East, Central Asia, and other areas as required. Its work includes designing and constructing facilities for use by U.S. forces, performing engineering activities for other U.S. government and foreign agencies, and providing operations and maintenance services for various customers. In addition, the district provides project management, engineering, contracting and support services to the two USACE districts in Afghanistan.

In this position, which he has held since May 2011, Mr. Weaver is responsible and accountable for the leadership, direction, and administration of small business programs at the Middle East District. He actively advocates for small business, both in the United States and overseas, supporting USACE goals and mission requirements. Mr. Weaver markets the Small Business Program to management and technical/professional staff and ensures compliance with small business policies, procedures, and regulations.

Previously, he served as a contract specialist at the Savannah District headquarters in Savannah, Georgia and deployed to Iraq in 2008 and Afghanistan in 2009-2010. While in Afghanistan, he served as a contracting officer and the first Deputy of Business Development for the Afghanistan Engineer District in Kabul. Mr. Weaver also served as a contracting officer with the F-15 Weapons System Program Office at Robins Air Force Base in Warner Robins, Georgia.

Mr. Weaver holds an associate degree in criminal justice from Macon College, a bachelor's degree in political science from Mercer University with cum laude academic honors, and a master's in Logistics and Materials Management from Georgia College and State University. Professional military education includes the U.S. Air Force Air Command and Staff College.

Medals and recognition received for civilian service include the Global War on Terrorism civilian service medal, the Army Commander's Award for Civilian Service, the NATO Service Medal/International Security Assistance Forces, the Afghanistan Civilian Combat Service Pin, and the Iraq Civilian Service Pin. Mr. Weaver is a military veteran, having served in the U.S. Navy during the Vietnam conflict.
